TATE DINNER 2008 - TRUSTEES OF FREEDOM

Is there a Lawyer whose contribution to the Right to Counsel we should recognize this Fall at the Trustees of Freedom Dinner? Last year LACDL graciously opened its exclusive Award Dinner to our Association, and we were able to recognize accomplishments by Public Defenders, including Lifetime Achievement. We want to reach out and include people that might not necessarily be “famous”, so help us by providing information on somebody you know who has done an outstanding job in a particularly difficult case or over a career as a Public Defender so that we can consider them for a “Trustees of Freedom” award in 2008!! **DEADLINE August 31, 2008.**

You may do this anonymously although it will make it difficult for us to get more information about the nominee. No limit on the number you nominate.
